

## **Economics Seminar, Indian Statistical Institute, New Delhi.**

SPEAKER: Gabrielle Demange (Paris School of Economics)

TITLE: A Ranking Method Based on Handicaps

TIME: 3:30-5:00

DAY & DATE: Wednesday, 19th October

PLACE: Conference Room

### **Abstract:**

Ranking systems are becoming increasingly important in many areas, in the Web environment and academic life for instance. The paper introduces and characterizes a new method based on the notion of 'handicaps'.
