

VAP Position

Job Description

The Centre for research on the Economics of Climate, Food, Energy and Environment (CECFEE) at the Indian Statistical Institute, New Delhi, India is looking to hire a Visiting Assistant Professor. The applicant must have a PhD in Economics with a credible research agenda in the field of labor economics, gender and human capital. The successful applicant will engage in research under the Digital Platforms and Women's Economic Empowerment project headed by Prof. Farzana Afridi. The position, subject to funding approval, will be contractual for a period of one year. Compensation will be at the level of an Assistant Professor taking into account relevant experience. As this is a contractual position, compensation will be on a "all inclusive" basis.
