Guidelines for Offline Teaching at ISI Delhi

In addition to NDMA guidelines from time to time, the following protocols will be observed for offline teaching in Classrooms:

1. Students and teachers with any symptoms for Covid should not enter classrooms.
2. Students and teachers should follow Covid SOPs at all times in the classroom.
3. Everyone should wear mask at all times during the classrooms.
4. No one without double vaccination will be allowed in Classrooms.
5. There will be sanitizers/sanitization sprays at the entrance of every classroom. Thermal scanners may be used if required.
6. If any student violates Covid norms, he/she won't be allowed attending the offline class and the teacher can ask the student to leave the class.
7. The concerned teacher will report any student not following the guidelines to the Associated Dean. The repeated violators (2nd time) will be barred from attending any further offline classes for the semester.
