Dated 20 June 2024

**Advertisement for one SERB funded Research Associate(RA) Position in
Number Theory (Mathematics)**

Application Deadline: 27 June 2024

Applications are invited from recruitment of one Research Associate position, purely on a temporary basis, to work on the SERB project titled "Diophantine Equations and Polynomials" under the guidance of Prof. Shanta Laishram of Theoretical Statistics and Mathematics Unit, Indian Statistical Institute, New Delhi (<http://www.isid.ac.in/~shanta/>). The positions are available immediately and will be offered initially for one year and extendable based on performance for up to two more years (or end of project tenure, whichever is earlier). The consolidated remuneration will be INR 58280/- per month (all inclusive)

Qualifications: We are seeking bright, mathematically strong candidates with a PhD Degree in Number Theory on or after April 2020. Those who have submitted their thesis may also apply.

Application Process: Interested candidates are requested to fill up this form

<https://forms.gle/iUgpkAQ8cBr1GjmYA>

latest by 27 June 2024. Candidates will need to attach a curriculum vitae which includes a list of publications and Research Statement as a single file.

Candidates should request their references for sending Two recommendation letters directly to shanta[[@](mailto:shanta@isid.ac.in)]isid.ac.in with the subject line "Reference for Candidate name".

Candidates who have already applied against advertisement dated 21 March 2024 need not apply again and will be considered.

Only shortlisted candidates will be called for further assessment.

For further queries, please contact the Project Investigator Prof. Shanta Laishram at shanta[[@](mailto:shanta@isid.ac.in)]isid.ac.in.

The Institute reserves the right to cancel the advertisement without assigning any reason.
