**Advertisement for one SERB funded Research Associate(RA) Position in  
Number Theory (Mathematics)**

**Application Deadline: 07 April 2024**

Applications are invited from recruitment of one Research Associate position, purely on a temporary basis, to work on the SERB project titled "Diophantine Equations and Polynomials" under the guidance of Prof. Shanta Laishram of Theoretical Statistics and Mathematics Unit, Indian Statistical Institute, New Delhi (<http://www.isid.ac.in/~shanta/>). The positions are available immediately and will be offered initially for one year and extendable based on performance for up to two more years (or end of project tenure, whichever is earlier). The salary will be as INR 58,000/- per month + HRA (as applicable).

**Qualifications:** We are seeking bright, mathematically strong candidates with a recent PhD Degree in Number Theory. Those who have submitted their thesis may also apply.

**Application Process:** Interested candidates are requested to fill up this form
