9<sup>th</sup> March 2023

Theoretical Statistics and Mathematics Unit  
Indian Statistical Institute, Delhi  
[www.isid.ac.in/~statmath](http://www.isid.ac.in/~statmath)

There will be a one day workshop on **Diophantine aspects of Number Theory** on **Thursday, 9th March 2023** at ISI Delhi. The invited speakers are

*Kalyan Chakraborty*, Kerala School of Mathematics (KSOM) Kozhikode

*Tarlok Nath Shorey*, National Institute of Advanced Studies (NIAS) Bangalore

*Ravindranathan Thangadurai*, Harish-Chandra Research Institute (HRI) Allahabad

*Michel Waldschmidt*, Universite Pierre et Marie Curie, France

Along with the invited talks, we also have some contributed talks of 15 minutes each in areas of Number theory. Those interested should send an abstract to the organisers through the registration form.

## Participation

This workshop is open to interested faculty and research scholars and other students in and around Delhi. **The number of participants will be restricted to 40** and preference will be given to those working in Number Theory.

Those interested to attend should register at <https://forms.gle/TsfCkaLg8juAs9JN6>  
Last date for registration is 03 March 2023.

No travel and accommodation will be provided to the participants. However lunch and tea/coffee will be provided to the participants during the workshop.
